

VILLA INVESTS FEDERAL STRONGHOLD AT TORREON; BIG BATTLE IS IMPENDING

Rebel Army 12,000 Strong Occupies the City Environs and Prepares for Struggle That May End Revolution in Mexico; Huerta's Forces Believed to Be in Desperate Plight

CONSTITUTIONALIST HEADQUARTERS Yermo, Durango, Mexico, March 20.—General Villa and his army of 12,000 rebels today invested the federal stronghold of Torreón. The khaki-clad columns occupied the environs of the city without opposition and today was spent in wheeling or dragging the field pieces into position to shell the federal trenches which have been dug at every point where the federal commander, Gen. Refugio Velasco, expects attack.

The army is estimated to number 40,000 men. South and southwest of the city his only railroads are almost impracticable because of the mountainous terrain. The only passenger trains through which only three pass and these have been rendered almost unworkable by primitive and barbed wire entanglements. In other directions the city is reached through the desert and high hills.

Progress Has Been Slow

A Villa's recent progress has been slow because it was necessary to repair the railroad tracks and bridges. This morning, however, the road was open from Toluca to Mexico, where the troops have been mobilizing, to Mapimí and Bernalillo which are only a few miles north of the city.

ins trained to such conditions covered their mouths with folds of their blankets and fared better. All eyes were bloodshot.

On the way toward all the suffering which the harshest waste of arid land in Mexico can furnish, the outskirts of Toluca were reached.

Meets Mr. Coararcho

At these two cities, after suffering long hours in the boxcars where they were stuffed like flies in a box, and with but scant supply of water, the soldiers detrained and formed in columns in the intense heat.

There was little loss of time in plunging into the desert, some mounted and others on foot. Great clouds of

General Villa was everywhere, for now that the eye of battle is at hand he is a fury of energy, now galloping the hailler of a refractory mule, now making a dash for the shavings of a peck of grain or a handful of alfalfa.

His leader, he went from point to point in his private car attached to a light engine and wherever he alighted his horse, saddled and bridled, was instantly awaiting him.

Feds File Injunction

Wife Cental Figure of the Fight That May Mean Future of Organized Baseball
Devin Says He Is Prepared

WILMINGTON, N. C., March 20. When information was received here today that a Federal injunction had been filed at Grand Rapids, Mich., today, Charles Devin, manager of the club, said the move had been anticipated, and his course of action had been clearly outlined by legal counsel for the club.

"We have no fear whatever of facing Killifer, and we expect Tom Seaton to return to the club before the injunction is applied," Devin said. "I understand he has joined the Chicago training squad at Shyversport, La."

GRAND RAPIDS, Mich., March 20. The first legal shot of the baseball war of 1914 was fired here today by the Federal league in filing a petition in the United States district for the western district of Michigan asking for an injunction to restrain William J. Killifer, Jr., formerly catcher of the Philadelphia Nationals, from playing baseball with any club other than the Federal league club.

The complaint closed with a prayer for the immediate issuance of a temporary injunction preventing Killifer from violating his contract with the Chicago Federals and a petition that the temporary injunction be made permanent in the final hearing of the suit.

Killifer signed a three-year contract with the Chicago Federals, but afterwards was persuaded that the revenues in his old contract with the Philadelphia club, which he signed in 1911, were more than the revenues in his new contract with the Chicago Federals.

FANS HAVE CHANCE TO SEE WHILE SOX IN FLORENCE, APRIL 3

Only Opportunity to Watch White Sox in Chicago, April 3

"Sports Editor, 'Colorado Springs Gazette,' Colorado Springs, Colo.: 'Dear Sir—I presume you have noticed that Florence has arranged for an exhibition game with the Chicago White Sox, April 3. The only time in the state where the attraction of the White Sox is Grand Junction and Denver.'

"We believe that we should be able to procure a large crowd from Colorado Springs, as the trip can be made comfortably and conveniently by auto at less expense than a trip to Denver. We could procure a one-way rate on the train from Colorado Springs provided a sufficient number of fans could be interested. We have a special train from Pueblo on the Rio Grande, leaving there at 1 o'clock and returning to Pueblo after the game. The rate on this train is also for the round trip.

"We would like to furnish every facility in the way of railroad rates for the Colorado Springs fans if there is sufficient interest, and I would appreciate any suggestions from you on the subject.

"I have written the manager of the Colorado Springs Royal Gorge Steamship company, advising that they could operate profitably between Colorado Springs and Florence on that date. So far as the game is concerned, I will say that we are making arrangements to give the White Sox team a run for their money. We are pleased at the choice of their players for our battery. We have selected the best players in frequent county for our team, and they are in splendid shape, and we have arranged for a seating capacity of 1,500. Reserved seats in covered grandstand can be obtained on application to the secretary of our chamber of commerce, under whose auspices this game has been arranged.

"Thanking you in advance for any suggestions that you may be able to give, I am, Yours truly, 'J. P. NEWELL, 'Secretary Florence Chamber of Commerce.'

CROSS OUTPOINTED AGAIN
NEW YORK, March 20.—Young Shugart of Jersey City cleverly outpointed each Cross of this city in a 10-round bout here tonight. Cross weighed 137 lbs.

JOE BURMAN is out with a delayed start for not winning the last race at Indianapolis. His "limber" car, whatever it is, will now rank second only to Jimmie's doctored tea.

And Johnson in Paris

Frank Moran, who is matched to fight Jack Johnson, the so-called heavyweight champion of the world, June 27 in Paris, has just come back to the United States. Moran is confident Johnson will fight him, and that the big black will go down.

Of course, few contend, perhaps not even Moran himself, that he would beat Johnson in his prime. But the black has been going a hard pace since he won from Jim Jeffries. He has had some worries, too—in keeping out of jail on very serious charges—against him in Chicago. He is not the boxer he was once, and Moran, who is a very strong and fairly clever heavyweight, may be able to beat him.

The white hope is about six feet one inch tall. He weighs about 200 pounds, and he has a hard, straight punch, which is powerful enough to knock out Johnson or anyone else whom he may hit with it. The fight will not take place for some time, and the prospect of easy money on the vaudeville circuit has brought Moran back to the country. He figures that every American fight fan will see the man who has a chance to beat Johnson. In the meantime, his manager, Dan Kottick, is waiting in Paris to see that Johnson finds no loophole through which he may crawl out of the match.

Many Tennis Journeys to Be Had During This Year

NEW YORK, March 20.—R. D. BASKETBALL

Devin Says He Is Prepared
Start \$300

The basketball event started in Colorado Springs last night when the Deaf and Blind school team won the championship of the Pike Peak School league from the Boys club team. The score was 48 to 47, and the game was probably the most exciting ever played on a local gymnasium floor. With but two minutes to play, the Boys club team suddenly experienced a change of form and from a score of 37 to 48, climbed up rapidly to 47 to 48. With 11 seconds to play, Christie, a Boys club player, stood on the foul line to make a free throw, which would have tied the score. The ball rolled around the hoop and barely missed falling in.

The lineup of Deaf and Blind school—Allen and Thomas forwards; Pierce, center; Wilson and Lewis, guards. Boys club—Grain and Brauer, forwards; Madiera, center; Christie and Fuller, guards. J. W. Eppes refereed the game, and the Powell-Donner championship cup was presented by Ted Powell.

Tonight, in the Pike Peak Girls School league, the Cheyenne school girls will play the Club girls.

Indoor baseball will start next week, three teams being entered. These are the Colorado City high school, the Boys club and the Deaf and Blind school.

TRAINING CAMP CHATTER

SAN FRANCISCO, March 20.—Five runs in the fourth inning gave the San Francisco team of the Coast league an 8-to-6 victory today over the second team of the Chicago Americans.

Score: R.H.E.

Fed-als Unraveling Tangle About Seaton; Two Clubs Interested

CHICAGO, March 20.—The task of settling the Seaton case, first of the Federal league's player disputes, was begun today. Both the Chicago club, from whom Seaton was originally signed by President Weeghman, and the Brooklyn club, represented here by George Ward, are anxious to retain the former Philadelphia pitcher. President Gessler said that Seaton legally is the property of Brooklyn, having been awarded that club when the Ward decided to take the franchise.

Weeghman said he had pronounced R. B. Ward, president of the Brooklyn club, his choice of pitchers on the Chicago staff, and that Ward picked over Seaton, who thereupon was turned over to him, though Chicago got nothing in return.

Seaton himself is anxious to play with Chicago, with which team he has been practicing.

If the pitcher is lost to the Brooklyn club, Hendrix may be awarded to President Ward.

The Chicago Nationals will begin the season with their present pitching staff, according to President Thomas. It was reported that they would seek to purchase or get in a trade one or more additional first-class men.

POLY WITH HOPE ON EQUAL FOOTING WITH ANY OPTICIAN IN THE WORLD

NEW YORK, March 20. While Hoppe of this city retained his title of world's champion at 18.1 balling billiards here tonight by defeating Casey, Bulletin of Chicago, 222 points to 242, in 21 innings.

CHICAGO, March 20.—A new billiard game must be devised to put Willie Hoppe on an even footing with his nearest competitors, according to Tom Foley, the "father of billiards," who has arranged most of the championship matches of the west for some years. Foley today advocated a game in which the table would be divided into four equal oblongs by lines drawn from the center of each side and end parallel to the sides and ends.

The rules would provide that one of the object balls must be driven across one of the dividing lines after each shot. Fine cushion play, he said, would be brought out by the scheme, and skillful placing of the balls would be a result of the play.

"Hoppe would be placed on an even basis with Harry Cline of Philadelphia, Slesson, Damarast and others," Foley said. "The new game would destroy all the good nursing of the ball now a factor in the billiard game and would make accurate driving a necessity. It would be a great game to watch."

Foley said that after practice the good players would be able to make runs of 75 to 100 points.

6 PITCHERS FOR U. OF C. BALL TEAM THIS SEASON

Start on Extended Trip Through Texas; Material Best in Years for State Nine

BOULDER, Colo., March 20.—The baseball team of the University of Colorado, accompanied by Coach Jack Haley and Student Manager Charles Sells, left yesterday noon for Dallas, Texas, where it will begin a two-week training tour on which it will meet all of the leading educational institutions of the Lone Star state.

The trip will cover over 2,000 miles and will be the first out of state tour ever taken by a college team of this state.

The team will play 13 games, returning to Boulder in time for the members to resume their school work on April 6, the opening day of the university following the annual spring vacation.

The Silver and Gold players are in fine condition for the trip, having been in practice for a month, most of the time outdoors.

The squad, from which the team was picked, was one of the largest in the history of the university. The 14 men selected are versatile, each being able to play in various positions. Boulder fans who have watched the team in practice believe the university has a nine which will win the Rocky Mountain championship next spring.

The first game of the trip will be played at Dallas Saturday, March 21. The opposition team will be the strong University of Dallas team. On Sunday the team will leave for Austin where it will play the University of Texas for three games and St. Edwards college one game.

On March 27 and 28 the team will meet Rice institute team at Houston. From there the Colorado boys go north, playing Baylor at Waco, Trinity at Waco, and then leaving for Denton, where college at Acme, Clarendon college at Clarendon, and the strong baseball nine of the Amarillo Street Railway company at Amarillo.

The team is headed by Captain Hans Bailey, who for the last three years has been a star second baseman.

The others are: Joyce, James Griffin, catcher; McGraw, Murray, Sells, J. Lavington, Williams, Pitt, pitcher; Champion and Huber, first base; Walters, third base; Dunn, shortstop; Sheehan, Homer, Griffin, Walters, outfielders.

BIG MIDDLEWEST SPORT FESTIVAL NOW SCHEDULED

KANSAS CITY TO HELP IN ATHLETIC MEET AT DENVER

Colleges From All Over This Section Will Be Entered in Events

By PIKE JOHNSON.
KANSAS CITY, Mo., March 20.—An informal agreement which will boost Colorado amateur sport as it has never been boosted before was made here today when the Kansas City Athletic club agreed to send championship teams to Denver next winter and spring to compete in dual boxing, wrestling, indoor and outdoor track meets with champions of the Rocky mountain region.

Arrangements were completed by Dr. Joseph Reilly, director of athletics of the Kansas City Athletic club, and Pyke Johnson, representative of the Rocky mountain branch of the A. A. U. The first event will be an all-western championship boxing and wrestling tournament, to be held in Denver immediately after the Rocky mountain championship at the D. A. C. next winter.

To Send Champions.
Kansas City will hold a preliminary tournament and will send the five champion boxers and the five champion wrestlers of the Western A. A. U. to compete.

It is planned to invite Utah officials of the Intermountain association to send representatives. The meet will be held under sanction of the A. A. U. and will be for the official all-western amateur championships in all divisions of the boxing and wrestling games.

The only men who will be eligible to compete will be the champions in the Western, Rocky Mountain and Intermountain branches of the A. A. U. and the event will comprise a new and important sectional A. A. U. fixture.

Dr. Reilly also agreed to send the famed relay team which could be gathered in the Missouri valley conference district to the Rocky mountain intercollegiate indoor track meet in 1915.

To Boost Athletics.
It was decided that before either association fixed its date for the meet that the other should be consulted, and that if Kansas City imports any athletes such as Shepard and Kohlman, who ran here this year, that Denver should have the privilege of taking them to the Colorado capital.

Dr. Reilly also suggested that Denver meet Kansas City in a dual outdoor track meet to be here one year, in Denver another. No definite action was taken, however, the Denver representative preferring to wait until it is seen what is done with the collegiate track meets at Denver this summer.

The Kansas City Athletic club will do all in its power to cooperate with Denver in boosting western athletics, was the statement made by Dr. Reilly. "We need more meets here to fill out our winter and spring calendar, and we will send any athletes you may need to any or all of your tournaments."
